NATURAL SKIN CARE AND BABY PRODUCTS

"SHOW YOUR LIGHT AND FEEL THE DIFFERENCE"

ELOQUE

ABOUT US

ELOQUE COSMETIC MOTHER and BABY COSMETICS appeared with the slogan "SHOW YOUR LIGHT AND FEEL THE DIFFERENCE", combining the energies of the two sisters, their faith in each other and their solidarity.

In 2019, ELOQUE stepped into e-commerce, foreign boutique companies, pharmacies and other internet sales platforms. We are also online at www.eloque.com.tr, which has been active since 2020.

ELOQUE has been prepared in laboratories that approved by the Ministry of Health of Turkey, combining formulas inspired by nature with the help of wide and innovative spirit and industry experience. It has demonstrated its difference with MOTHER and BABY products. It produces in own accredited laboratory with a monthly production capacity of 200.000 and a closed area of 1000 m2. At the same time, it encourages consumers on the philosophy of life with the slogan "SHOW YOUR LIGHT AND FEEL THE DIFFERENCE".

ELOQUE offers high-quality care products. It aims to reveal products that are sincere about healthy living, open to open communication, ensuring the continuity of customer satisfaction, and do not harm nature, animals and people. Today, it maintains its place in Turkish chain market groups such as Joker Bebek, Watsons, Dermoeczanem, Trendyol and Çiçek Sepeti. You can contact us for your questions and suggestions, and share your thoughts with us to improve your ELOQUE experience day by day.

ELOQUE COSMETIC MOTHER and BABY COSMETICS

Eloque Diaper Rash Care Cream contains zinc oxide, natural wool oil, panthenol, lanolin, naturalolive oil and beewax.

Lanolin, one of the most powerful components of Eloque Diaper Rash Cream, is a natural fat that decomposes from sheep's wool. The resulting lanolin is obtained in the purest form as a result of processing in Eloque laboratories. It makes you feel the effect of intense shine and care during deep cleansing of your baby's skin.

Another component of Eloque Diaper Rash Care Cream is natural olive oil. Its antiseptic property acts as a preservative on the skin. Thanks to the fact that olive oil forms a water-repellent base, it stops irritating factors that come into contact with the skin. Natural olive oil has a restorative effect, turning the irritated area into a soft tissue and preventing the occurrence of diaper rash.

Wax, which is known to be skin-friendly by melting above 60 degrees used in honeycomb construction of bees, maintains the density of Eloque Diaper Rash Care Cream. Beewax forms an emulsion on the skin and retains all the components.

Eloque Diaper Rash Cream, which enhances its effect with panthenol, acts as a quick restorative for sunburn, skin irritation.

How to use: It is recommended to apply it in a thin layer on clean, dry skin.

Say goodbye to sleepless times with Eloque lavender sleep spray. The first of the most basic physiological needs of babies for brain and body development is sleep.

Colic babies in the first months, gas pains, cow's milk allergy and in the following periods, dental movements make babies uneasy and cause disruption of sleep patterns. Another of the most common reasons is that babies between 9 and 18 months old have difficulty sleeping because they want to move and discover.

Eloque lavender sleep spray which carefully formulated with pure essential oils that take their effect from nature integrated with lavender oil and lemon balm oil to positively support your baby's sleep patterns.

Eloque Lavender Sleep Spray helps to change the anxiety and stressful situation of your baby with the soft smell of lemon balm oil contained in it and completes its function as a preservative with its antiseptic property.

Combining nature with its light formula and ultra effect, you can spray Eloque lavender sleep spray to the room, pillow or bed linen to let your baby fall asleep peacefully and you can enjoy it as a mother.

How to use: Gently spray it on your baby's pillow before going to sleep. You can also spray it on your bedroom, curtains or sheets. Shake it before applying.

Eloque Cradle Cap Serum is formulated with olive oil, sweet almond oil, borage oil, argan oil, avocado oil and natural oils and consists of minerals.

Eloque Cradle Cap Serum reduces the appearance of crusting in babies with olive oil and sweet almond oils and prevents its recurrence.

It is very rich in vitamin E and natural carotenoids found in olive oil. It acts as a preservative on your baby's skin and is an antiseptic. Thanks to this, it prevents skin problems such as inflammation and flaking.

Sweet almond oil, which is quite suitable for the care of babies and children, helps to prevent damage caused by the skin. Eloque Cradle Cap Serum, which stands out for its herbal content, solves the problem of flaking on your baby's scalp, soothes cleansed skin with borage oil, helps maintain healthy skin.

This formula, carefully combined in approved laboratories, prevents skin dryness by adding argan oil.

Thanks to avocado oil, which is rich in vitamins, Eloque Cradle Cap Serum nourishes your baby's scalp, gently cleanses it and helps to soothe the feeling of discomfort.

How to use: Apply it by massaging directly into the bottoms of the hair. For best results, it should be applied in the evening and stay on the scalp overnight. The next day it should be combed with a soft brush and cleaned of soft crusts, then the hair and skin should be washed, the part where the product is applied should be cleaned with a cleanser. Shake it before applying
