NATURAL SKIN CARE AND BABY PRODUCTS

"SHOW YOUR LIGHT AND FEEL THE DIFFERENCE".

ELOQUE

## ABOUT US

ELOQUE COSMETIC MOTHER and BABY COSMETICS appeared with the slogan "SHOW YOUR LIGHT AND FEEL THE DIFFERENCE", with the energies of the two sisters, their faith in each other and their solidarity.

In 2019, we stepped into e-commerce, foreign boutique companies, pharmacies and other internet sales platforms. We are also online at [www.eloque.com.tr](http://www.eloque.com.tr), which has been active since 2020

ELOQUE has been prepared in laboratories approved by the Ministry of Health, combining natural formulas inspired by nature, broad and innovative spirit, and industry experience. It has demonstrated its difference with the MOTHER and BABY products it produces in its accredited laboratory with a monthly production capacity of 200000 and a closed area of 1000 m2. At the same time, it encourages its consumers on the philosophy of life with the slogan "SHOW YOUR LIGHT AND FEEL THE DIFFERENCE".

ELOQUE offers high-quality care products. It aims to use products that are sincere about healthy living, open to open communication, ensuring the continuity of customer satisfaction, and do not harm nature, animals and people. Today, it maintains its place in Turkish chain market groups with Joker Bebek, Watsons, Dermoeczanem, Trendyol and Çiçek Sepeti. You can contact us for your questions and suggestions, and share your thoughts with us to improve your ELOQUE experience day by day.

ELOQUE COSMETIC MOTHER and BABY COSMETICS

## **Eloque Aloe Vera Hyaluronic Acid & Collagen Gel**

Say goodbye to all your skin problems with Eloque Aloe Vera Hyaluronic Acid & Collagen Gel with the help of the moisturizing, firming, restorative, anti-aging property of witch hazel.

The allantoin contained in the Eloque Aloe Vera Hyaluronic Acid & Collagen Gel increases the water content of cells. Allantoin is a known keratolytic and has positive effects in skin diseases.

High-impact Eloque Aloe Vera Gel creates a structural network by giving the skin elasticity with collagen, an important type of protein for our skin.

Eloque Aloe Vera Hyaluronic Acid & Collagen Gel, consisting of powerful components, promotes the production of extra collagen due to the slightly acidic effect of the Wild Violet plant on the skin and provides a noticeable reduction in fine lines.

The antibacterial preservative green tea leaves contain a refreshing feeling on your skin thanks to phytosterols and minerals while relaxing your skin.

Eloque Aloe vera Hyaluronic Acid & Collagen Gel consists of 70% protein, essential amino acids and calcium and makes a quick difference on your skin and softens with chamomile oil.

How to use: It's applied daily in a thin layer to the desired area.

## Eloque Lightening Skin Care Cream

### Eloque Lightening Skin Care Cream

Haven't you met miraculous Cream, Eloque Lightening Skin Care Cream, which reveals your difference with its fast repairing effect?

Eloque Lightening Skin Care combines powerful ingredients and formulation and it provides a younger appearance by reducing your age spots.

Niacinamide, which is contained in it, is often used for problematic skins as anti-acne, anti-blemish, skin-lightening and moisturizing effects. Niacinamide plays an important role for vitamin B3 by stopping the cellular mechanisms that cause skin staining. Shine faster with a more impressive difference.

We combine Ascorbyl, vitamin F and C, which are among the products that work the most when it comes to skin blemishes, to create a moisturizing and anti-aging combination. This formulation is been made even stronger with Asian rice and turn it into a highly effective elixir for removing fine lines and wrinkles with the integrating effect of Rosa oil. Eloque Lightening Skin Care Cream helps to reduce the appearance of pores by 78% and reduce the finest wrinkles with regular use. Eloque Lightening Skin Care Cream complements Shea butter with a layer that protects the skin from moisture and moisturizes the skin against a slight peeling effect. In this way, we meet your moisture needs throughout the day.

1 cream, 2 different effects

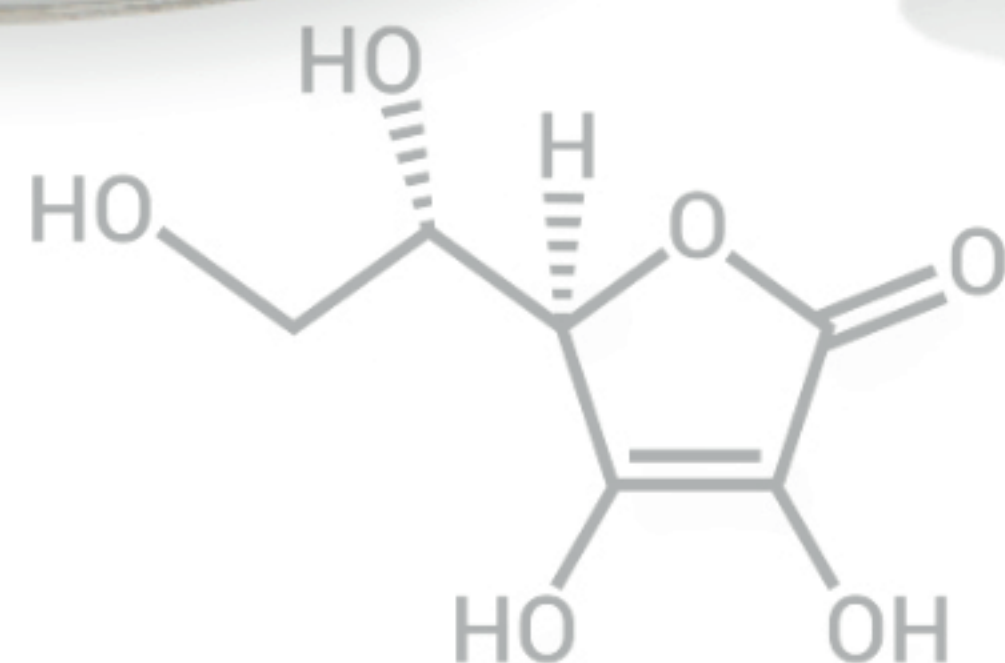

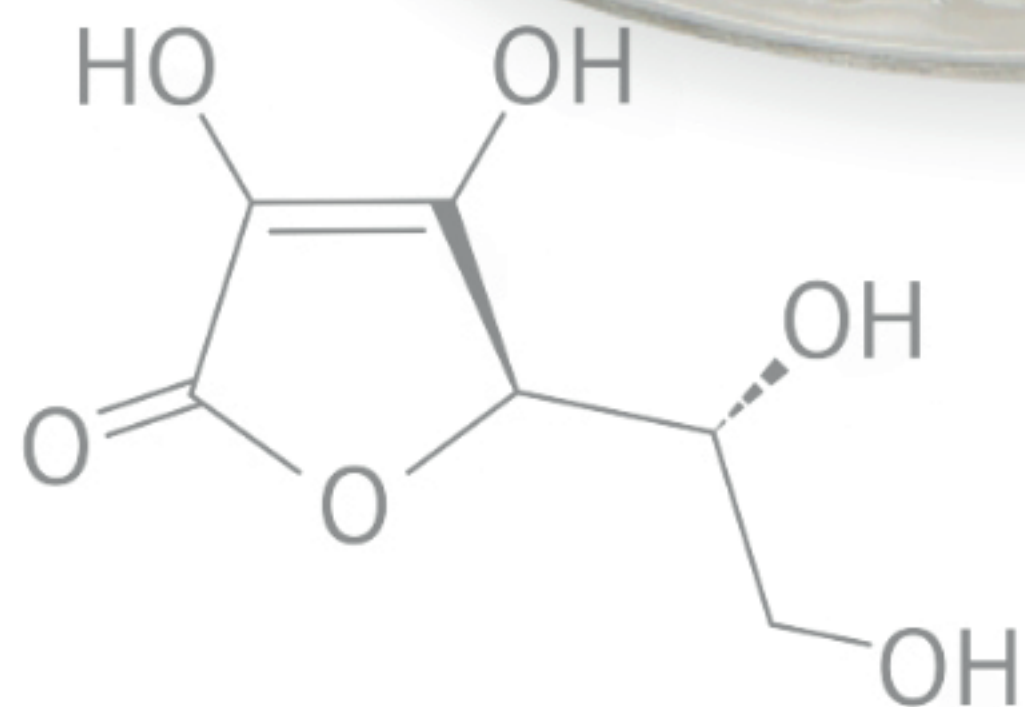

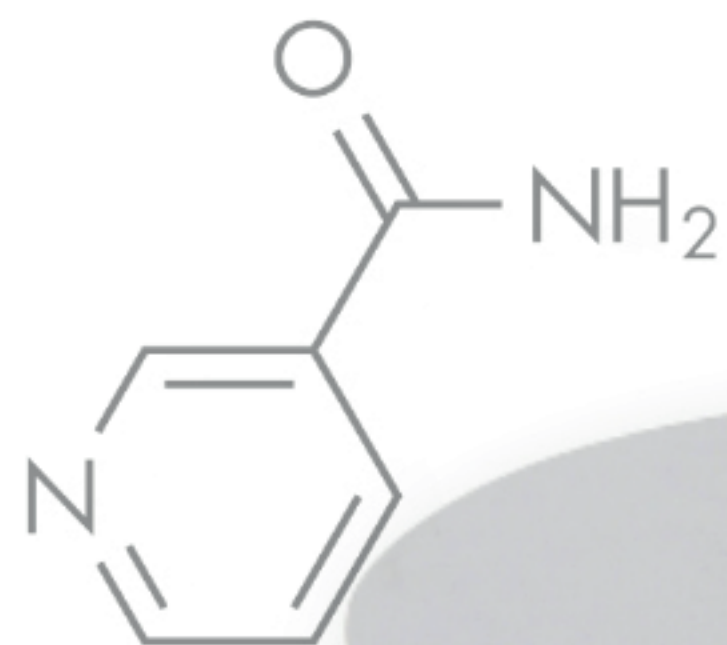

Citronella oil provides antibacterial properties while helping to reduce and prevent skin infections such as acne, warts, and pimples that form on the skin.

Keep your glowing skin away from the environmental factors and negative effects you are exposed to all day long with our newest Caffeine content, reduce the appearance of tired skin. Eloque Lightening

Skin Care Cream tightens the skin and provides full protection against UV rays.

"Show Your Light Feel the Difference"

How to use: It's applied daily in a thin layer to the desired area.
